

§ 1139.4

sample values for expenses and revenues shall be expanded to full year values without adjustments to known annual report figures of any carrier.

(d) Where cost studies are developed through the use of computer processing techniques, there shall be submitted a manual application of the costing procedures used for one traffic and cost study carrier (study carrier) in order to demonstrate the procedures by which the computer program distributes the annual report statistics, and applies service unit-costs to each shipment. An illustration of the application of service unit-costs to the applicable traffic service units generated by one single-line sample shipment and by one inter-line sample shipment shall also be submitted. These sample shipments shall be on the "Carried" basis.

§ 1139.4 Revenue need.

Traffic and cost study carrier, i.e., the study carriers, shall submit evidence of the sum of money, in addition to operating expenses, including that needed to attract debt and equity capital, which they require to insure financial stability and the capacity to render service. This evidence shall include data required by Appendix I, parts I and II, and Appendix II.

§ 1139.5 Affiliate data.

Each individual traffic and cost study carrier having transactions with affiliates, subject to the reporting requirements of schedules 9009-A and 9009-B in the annual report for class I motor carriers, shall submit appropriate data and analyses reflecting the effect on the parent carrier's profits of transactions with affiliates. Such data and analyses shall be adequately supported, and there shall be submitted such underlying data as will permit a reconciliation of these data to the data supplied in the appropriate schedules of each carrier's annual report.

§ 1139.6 Official notice.

The Board will take official notice of all of the proponent carriers' annual and quarterly reports on file with the Board.

49 CFR Ch. X (10-1-08 Edition)

§ 1139.7 Service.

The detailed information called for herein shall be in writing and shall be verified by a person or persons having knowledge thereof. The original and 10 copies of each verified statement for the use of the Board shall be filed with the Secretary, Surface Transportation Board, Washington, DC 20423. One copy of each statement shall be sent by first-class mail to each of the regional offices of the Board in the area affected by the proposed increase, where it will be open to public inspection. A copy of each statement shall be mailed by first-class mail to each party of record in the last formal proceeding concerning a general rate increase in the affected area or territory. However, one copy of each statement shall be sent by express mail to any person undertaking to bear the cost. Written request for this expedited service must be made no less than 5 days before the statement is due to be filed with the Board. Otherwise, the service requirements of 49 CFR 1104.12 should be observed. Information with respect to carrier affiliates may be served on the parties in summary form, if so desired. A copy of each statement shall be furnished to any interested person on request.

§ 1139.8 Availability of underlying data.

All underlying data used in preparation of the material outlined above shall be made available in the office of the party serving such verified matter during usual office hours for inspection by any party of record desiring to do so, and shall be made available to the Board upon request therefor. The underlying data shall be made available also at the hearing, but only if and to the extent specifically requested in writing and required by any party for the purpose of cross-examination. Since appendix I data are to be submitted on a combined carrier basis, any underlying individual carrier data used to complete appendix I should be furnished to the Board for its use as well as for the use of parties opposing the sought increases.
